 - 1.7.12.5. The credible allegation focuses solely and definitively on only a specific type of claim or arises from only a specific business unit of a subcontractor; and the Contractor determines and documents in writing that a payment suspension in part would effectively ensure that potentially fraudulent claims were not continuing to be paid.
 - 1.7.12.6. Law enforcement declines to certify that a matter continues to be under investigation.

 - 1.7.13.8. Annually report to NORTH SOUND BHO summary information on each of the following:
