

Question:

1. We have a question about the 2018 Credentialing Application on Page 4 of 5 where it refers to SUD requirements in section VI. Is this dual certification a requirement for all agencies?

Answer:

The dual certification is not required. The language is being amended to state:

VI. NOTICE OF FUTURE REQUIREMENT

All organizations of the North Sound BHO provider network are encouraged to hold dual certification and/or licensing for both SUD and MH.

Has your organization begun the process? Yes No

Please briefly describe the steps, if applicable, the plan to obtain MH/SUD licensing:
