Ref	Question
1	Could you please clarify how many providers are in the network total that will need support?
<b>Response</b>	<b>Maximum providers for assessment is 20, it is a voluntary assessment on their part, so some may opt out.</b>
2	Are the provider agencies planning to upgrade their current EHR or install a new one during this timeframe?
<b>Response</b>	<b>Most providers have an e-HR under implementation, however a few small organizations do not.</b>
3	Are you willing to work remotely with the vendor on activities that can be performed successfully off-site to hold cost down?
<b>Response</b>	<b>Yes, a combination of onsite and remote activities is perfectly acceptable.</b>
